[A brief description of the project may be seen in the Information Memorandum of the Project at the Utility’s website www.krahejacorp.com.]

Applicants may bid for the capacity specified in Clause 1.1.1, or a part thereof, not being less than 50% (fifty per cent) of such capacity or 100 (one hundred) MW, whichever is lower. The remaining capacity, if any, may be procured from other Bidders who are willing to match the lowest Bid.

Brief description of Bidding Process

- 1.2.1 The Utility has adopted a two-stage bidding process (collectively referred to as the “**Bidding Process**”) for selection of the bidder for award of the Project. The first stage (the “**Qualification Stage**”) of the process involves qualification (the “**Qualification**”) of interested parties who make an Application in accordance with the provisions of this RFQ (the “**Applicant**”). Prior to making an Application, the Applicant shall pay to the Utility a sum of Rs 1,000 (Rupees one thousand) as the cost of the RFQ process. At the end of this stage, the Utility expects to announce a list of suitable pre-qualified Applicants who shall be eligible for participation in the second stage of the Bidding Process (the “**Bid Stage**”) comprising Request for Proposals (the “**Request for Proposals**” or “**RFP**”).
- 1.2.2 In the Qualification Stage, Applicants would be required to furnish all the information specified in this RFQ. Only those Applicants that are pre-qualified and short-listed by the Utility shall be invited to submit their Bids for the Project. The Utility is likely to provide a comparatively short time span for submission of the Bids for the Project. The Applicants are, therefore, advised to familiarise themselves with the terms of the Model APP that will govern the structure of this Project. The said Model APP has been notified by the Government under section 63 of the Electricity Act 2003 for tariff based bidding by the Utilities.

^s The actual amount will be indicated in the RFP.

- 1.2.3 In the Bid Stage, the Bidders will be called upon to submit their financial offers (the "**Bids**") in accordance with the RFP and other documents to be provided by the Utility (collectively the "**Bidding Documents**"). The Bidding Documents for the Project will be provided to every Bidder on payment of [Rs. 100,000 (Rs. one lakh only)]⁵. The Bid shall be valid for a period of not less than 60 days from the date specified in Clause 1.3 for submission of bids (the "Bid Due Date").
- 1.2.4 In terms of the RFP, a Bidder will be required to deposit, along with its Bid, a bid security of Rs 2 lakh (Rupees two lakh) per MW of capacity offered by the Bidder (the "**Bid Security**"), refundable no later than 60 (sixty) days from the Bid Due Date, except in the case of the selected Bidder whose Bid Security shall be retained till it has provided a Performance Security under the APP. The Bidders will have an option to provide Bid Security in the form of a demand draft or a bank guarantee acceptable to the Utility. The demand draft shall be kept valid for a period not less than 180 (one hundred and eighty) days from the Bid Due Date, by submitting another demand draft before expiry of the existing demand draft and may be further extended as may be mutually agreed between the Utility and the Bidder from time to time. In case a bank guarantee is provided, its validity period shall not be less than 180 (one hundred and eighty) days from the Bid Due Date, inclusive of a claim period of 60 (sixty) days, and may be extended as may be mutually agreed between the Utility and the Bidder from time to time. The Bid shall be summarily rejected if it is not accompanied by the Bid Security.
- 1.2.5 Generally, the Lowest Bidder shall be the selected Bidder. The remaining Bidders shall be kept in reserve and may, in accordance with the process specified in the RFP, be invited to match the Bid submitted by the Lowest Bidder in case such Lowest Bidder withdraws or is not selected for any reason or in case the Capacity Required as per clause 1.1.1 is not fully met by the Lowest Bidder. It is hereby clarified that the Utility will not accept the entire capacity offered of the last Lowest Bidder in the order of progression, in the event the Capacity Required gets fulfilled by a part thereof. In the event that none of the other Bidders match the Bid of the Lowest Bidder, the Utility may, in its discretion, invite fresh Bids from the remaining Bidders or annul the Bidding Process, as the case may be. Further, it is clarified that any single Bidder cannot quote part capacity from different power stations.
- 1.2.6 During the Bid Stage, Bidders are invited to examine the Project in greater detail, and to carry out, at their cost, such studies as may be required for submitting their respective Bids for award of the contract including implementation of the Project.
- 1.2.7 As part of the Bidding Documents, the Utility will provide a draft APP and other information pertaining/ relevant to the Project available with it.
- 1.2.8 Bids will be invited for the Project on the basis of a tariff to be offered by a Bidder for production and supply of electricity in accordance with the terms of the draft

APP forming part of the Bidding Documents. For the purposes of bidding hereunder, the Base Fixed Charge and Base Variable Charge shall constitute the tariff for the Power Station (the “**Tariff**”). Generating cost of electricity, the transmission charges and the transmission losses, shall form part of the Base Variable Charge. The contract period shall be pre-determined, and will be indicated in the draft APP. The Project shall be awarded to the Bidder quoting the lowest Tariff.

The Bidder shall quote a Base Variable Charge comprising the generating cost of electricity, the transmission charges and the transmission losses. Based on its Bid, a lumpsum tariff shall be paid to the Supplier comprising of (a) a Base Variable Charge, and (b) a Base Fixed Charge, as per the provisions of Clause 12.3.1 of the APP. The Tariff shall be revised as per the terms of the APP. The Bid for the Project shall, therefore, comprise the Base Fixed Charge and the Base Variable Charge and the Bidder seeking the lowest Tariff shall be the Selected Bidder.

In this RFQ, the term “**Lowest Bidder**” shall mean the Bidder who is offering the lowest Tariff.

1.2.9 Details of the process to be followed at the Bid Stage and the terms thereof will be spelt out in the Bidding Documents.

1.2.10 Any queries or request for additional information concerning this RFQ shall be submitted in writing by speed post/courier/special messenger and e-mail attaching the queries in Microsoft word file so as to reach the officer designated in Clause 2.13.3 by the specified date.
